Clinical and Biomarker-Based Trajectories of Psychosis-Risk Populations in Kenya

Role: Principal Investigator

COMPLETED RESEARCH ACTIVITIES

University of Turku, Finland and Africa Mental Health Research and Training Foundation: David Ndeti (PI); 2022-2023

Psychosocial problems of secondary school students before and during the recovery phase of the COVID-19 pandemic in Kenya

Role: Principal Investigators

Africa Mental Health Research and Training Foundation: David Ndeti (PI) 2022-2023

Youth Suicide-Survey of students' mental health care needs in universities in Kenya

Role: Principal Investigators

Fund For Innovation In Development: Tom L. Osborn (PI); 2022-2024

Testing Pathways to Scale and Poverty Alleviation Effects of a Cost-Effective and Evidence-Based Mental Health Innovation(Anansi)

Davos Alzheimer's Collaborative (DAC) David Ndeti (PI): May 2022 – April 2023

Integration and evaluation of a community-level dementia screening programme in rural Kenya

Role: Principal Investigator

Templeton World Charity Foundation Tom L. Osborn (PI): October 1, 2021 – September 30, 2024

Long-term health outcomes and dissemination strategies for adolescent character strength interventions

Role: Co- Principal Investigator

Mind Brain Behavior Interfaculty Initiative, Harvard University Doris Somer (PI) – 2021-2022

Adolescent Depression and Anxiety in Kibera: Arts Literacy as Intervention

Role: Co-Principal Investigator

1R21MH124060-01 Mamah and Ndeti (PIs) October 2020 – June 2022

Identifying Imaging Biomarkers of Schizophrenia-Risk in Kenya

Role: Principal Investigator

ES/P010938/1 Martin Knapp (PI) 2018-2022

STRiDE: Strengthening responses to dementia in developing countries

Role: Senior researcher (Kenya): [GCRF]

World Health Organization (WHO) June 2021 - December 2021

David Ndeti and Victoria Mutiso

Research proposal to study inter-linkages between youth mental health and peace building in Somalia.

Role: Lead Consultant

World Health Organization (WHO) David Ndetei October 2020 - December 2020

Monitoring and Evaluation (M & E) consultant to develop a comprehensive and complete M & E framework for the implementation of Mental Health and Psycho-Social Services.

Role: Consultant

Global Challenges Research Fund of QMUL October 2020 – July 2021

Kamaldeep S. Bhui, David Ndetei & Victoria Mutiso (PIs)

Family Resilience and Mental Well Being: Enhancing Resilience and mental health of children and adolescents through integrated school and family based approaches (The FRAMERS study)

Role: Principal Investigator

University of Turku, Finland ID 0245896-3 October 2019 – April 2021

Cross-cultural Transitions: Mental health literacy study on medical students

Role: Principal Investigator

21HD094227 Jenelle Shanley (PI) and Ndetei (PI) 2018 – 2020

Assessing parenting practices and service system to adapted a prevention program to promote child wellbeing in Kenya

Role: Principal Investigator

GCRFNG100278 Lloyd and Ndetei (PI) 2018-2019

Long-term conditions and mental health in Sub-Saharan Africa (SSA): mainstreaming community-based practices.

Role: Principal Investigator [GCRF]

GCA/ISG/rnd1/135 Christine Musyimi (PI) 2017-2019

Engaging Traditional Birth Attendants to reduce maternal depression in rural Kenya

(Engage-TBA)

Role: Collaborator

1R56MH111300-01 Mamah and Ndetei (PI) 2017- 2019

Genes, Behavior and Psychosis-Risk in Machakos and Makueni Counties, Kenya

Role: Principal Investigator

MacDougall (PI) 2017- 2019

Global Mental Health Incubator for Disruptive Solutions (Global MINDS @ Western)

Role: African Faculty, Steering Committee Member and Local Organising Committee Chair.

Ndetei (PI) 2016- 2018

Deep scan case study Makueni County Kenya

Role: Principal Investigator

R21DA036966 Harder (PI) 2013 – 2017

Mobile Substance Use Intervention for HIV Prevention

The goal of this study is to adapt an evidence-based intervention (motivational interviewing; MI) to be used over the mobile phone by trained clinicians to treat substance abuse.

Role: Co-Principal Investigator

INTERPRET-DD **Ndetei (PI)** **2013 – Up-To- Dated**
Prevalence and Treatment Course of Diabetes and Depression in Kenya: An International Collaborative Study
Role: Principal Investigator

0641-01-10 **MacDougall (PI)** **2014 - 2016**
Grand Challenges Canada
Community REcovery Achieved Through Entrepreneurism (CREATE) on setting up businesses for people with severe mental disorders
Role: Co-Principal Investigator

Africa Women Development Fund (AWDF) Mutiso (PI) **2015-2016**
Livelihood Intervention Project to Women Experiencing Psycho-Trauma Kenya (LIPTK)
Role: Co-Principal Investigator

0739-05 **Mutiso (PI)** **2015 – 2016**
Multisectoral Stakeholder TEAM Approach to Scale-Up Community Mental Health in Kenya – Building On Locally Generated Evidence and Lessons Learned (TEAM)
Role: Co-Principal Investigator

0083-04 **Ndetei & McKenzie (PI)** **2012 - 2015**
The Kenya Integrated Intervention Model for Dialogue and Screening to promote children’s mental wellbeing (KIDS). The goal of this study is to test the efficacy and feasibility for scale-up of a multi-stakeholder model for primary schools that seeks to promote mental well-being, prevent mental illness and reduce the treatment gap for children.
Role: Principal Investigator

0092-04 **Ndetei & Frank (PI)** **2012 - 2015**
The Computer-based drug and alcohol training Assessment in Kenya (e-DATA K). The goal of this study is to train large numbers of primary health care workers to successfully identify and treat substance use disorders in their practices through high-quality, globally-available, free-to-use, and low-cost to assemble, computer-, peer-, and mentor-supported learning.
Role: Principal Investigator

S5_0414-01 **Christine (PI)** **2013 to 2015**
Using Mobile Phones to Empower the Frontline Health Care Workers to Manage Depression at the Point of Care in Kenya Using the WHO Mental Health Treatment Gap Intervention Guidelines (mhGAP-IG) (mHealth).
Role: Co-Principal Investigator

S5_0415-01 **Christine (PI)** **2013 to 2015**

Dialogue to Empower, Supervise, Support and Include the Informal Traditional and Faith Healers to Deliver Evidence Based mhGAP-IG Adapted Psychosocial Interventions to Reduce Treatment Gap in Kenya (Dialogue).

Role: Co-Principal Investigator

1R21MH0956459A1 Sub Award No: WU – 13 – 240 Mamah (PI) 2013 - 2015

Identification of Psychosis Risk Traits in youth in Africa

The goal of this study is to assess cognitive, anthropometric and dyskinesia traits in Kenyan youth and to longitudinally evaluate symptom change and identify psychosis predictors.

Role: Co-Principal Investigator

R21DA036966 Harder (PI) 2012 - 2015

Mobile Substance Use Intervention for HIV Prevention

The goal of this study is to adapt an evidence-based intervention (motivational interviewing; MI) to be used over the mobile phone by trained clinicians to treat substance abuse.

Role: Co-Principal Investigator

Ndeti & Odenwald (PI) 2014 - 2015

Sustainable and Adapted Treatment Strategies to Restore Psychological Functioning and Mental Health among Displaced Somalis: Preparation of a Multicenter Treatment Study

Role: Co-Principal Investigator

105988-001: International Development Research Centre (IDRC). Mutiso (PI) 2009 – 2013

Task Shifting in Mental Health: Innovative approaches

Role: Co-Principal Investigator

Ndeti (PI) August - October 2014

Alcohol and Substance use in Kenyan Schools

To find out the prevalence of alcohol and substance abuse among school going youth in primary and secondary schools in Nairobi.

Role: Principal Investigator

Cole (PI) January – August 2013

Mentorship in Global Health Research: The main goal of this study is to profile case studies of mentorship practice and programs in global health research in a systematic way (including qualitative research methods), analyze them in the context of available global health research and mentorship literatures, and then share them through the CCGHR website to provide a basis for future action-research on GHR mentorship, for projects funded by GHRI and others internationally.

Role: Co-lead

Ndeti (PI) 2010 – 2012

Nature and Extent of Non-commercial Alcohol in Rural and Urban Settings in Kenya: Training Grant by the International Centre for Alcohol Policies (ICAP), Washington, DC

Role: Principal Investigator

Ndetei (PI)

2010

Mental Health Needs Assessment of Somali Urban Refugees

To determine the prevalence and pattern of psychiatric disorders in the community, determine the mental health care delivery services (modern, traditional/religious) available in the community and the level of coordination between the providers and the types of services needed.

Role: Principal Investigator

World Health Organization

Ndetei (PI)

2004

The Prevalence of mental health disorders and the attitudes of staff in General Medical facilities in Kenya. To determine the prevalence of psychiatric morbidity and their management in general hospitals and centers in Kenya and staffs stigma/attitudes towards mental illness.

Role: Principal Investigator

OTHER COMPLETED RESEARCH GRANTS

1. Social Experiences of Depression and Type 2 Diabetes in Nairobi, Kenya: A Qualitative and Survey Study - **Georgetown University, Washington, DC,**
2. Traditional Knowledge Systems & Increasing Access to benefit Sharing of Intellectual property in Africa (**ATPSCP0209**)
3. Retention of health workers in Kenya
4. Mental Disorders and HIV Risk Behaviors among Prisoners in South Sudan
5. A Rapid Situation Assessment (RSA) of the Needs of Elderly People (60+) Care-Givers in Rural and Urban Community Settings, Their Care in Homes for the Elderly and Clinical Trends in General Public Medical Facilities in Kenya
6. Community-Based Detoxification and Rehabilitation of Alcohol Abusers; Kangemi, Nairobi-Kenya
7. Neuro-Psychiatric Disorders and Quality of Life among People with Epilepsy in Kenya
8. The prevalence and history of psychosis in 14-24 year old in Kenyan (using CIDI)
9. The Prevalence and History of Suicidal symptoms in 14-24 year old in Kenya (using the CIDI)
10. Physical illness and patients with severe mental illness (SMI) in different parts of the world: prevalence, barriers, monitoring and treatment guidelines and recommendations – **World Psychiatry Association**

11. International Study on Student Career Choice in Psychiatry (ISoSCCiP) - **Royal College of Psychiatrists, U.K. and the World Psychiatric Association.** AMHF is coordinating the study in 16 medical schools in Liberia, Ghana, Nigeria, Ethiopia, Uganda, Kenya, Tanzania, Zambia, Malawi and South Africa
12. Characterizing The Schizophrenia Prodrome In Africa - **Washington University at St Louis University**
13. Evidence-based mental health assessment and treatment for HIV prevention in Kenya - **Vermont University, USA**
14. A qualitative study of attitudes to mental health care in 2 Sub-Saharan Africa Communities - **New York University**
15. Population-based assessment of election-related gender-based violence and mental health outcome in Kenya - **McGill University**
16. The Attitudes of Medical Students towards Psychiatry – being conducted in 16 medical schools across Africa
17. Mental and general Health of University of Nairobi Medical Students, University of Nairobi (UoN)
18. The Physical Health Aspects of patients with severe Mental Illness admitted at Mathari Hospital, Nairobi
19. Psychosocial Needs Assessment And Intervention Among Institutionalized Orphans And Other Vulnerable Children In Rural And Urban Settings In Kenya
20. The Effectiveness of a Multi-component Community Care Interventions Program for Elderly with Dementia and other associated chronic disorders in Kenya.
21. Upbringing practice in Kenyan Adolescents
22. The Psychosocial Aspects of Oncology Patients at the Kenyatta National Hospital, Nairobi
23. The Mental health needs assessment of Somali Urban refugees living in Eastleigh Nairobi
24. Traditional and Faith Healers in Kangemi, Nairobi-Kenya
25. Prevalence of Depression, Anxiety and Drug Use among Community Dwelling Adults seeking HIV Testing in Nairobi, Kenya

26. Assessing and Treating Post Traumatic Stress Disorder among Youth Following the Post-Election Violence in Kenya
27. Mental Disorders and HIV Risk Behaviors among Prisoners in South Sudan
28. Report On The Training Of 8 Medical Health Workers On Mental Health In Bosaso, Puntland
29. General Hospital Studies - Suicidology in General Hospitals in Kenya
30. Baseline study on the situation and governance of mental health and development services in Kenya - Case Study of Kibera (Nairobi West District), Kiambu West, Laikipia North and Nyeri North Districts- **BasicNeeds in UK**
31. Nature And Extent Of Non-commercial Alcohol In Rural And Urban Settings In Kenya - **Washington, DC**
32. Stigmatization of Psychiatry and Psychiatrists: An International Control-Group Study - **World Psychiatry Association**
33. The Learning Environment and Mental Health of Postgraduate Students in the College of Health Sciences, UoN
34. The Physical and psychological Aspects of people who take traditional and Illicit Alcoholic beverages in Kenya
35. Situational analysis on mental health needs in 4 rural areas in Kenya;
36. Malaria and Neurobehavioural Development in Early Childhood, Coast Province, Kenya.
37. Traditional Medicine: Mental Health and Behavioural Practices In Kenya
38. Promotion of Physical Health in Persons with Severe Mental Disorders : A research project Submitted by: **Africa Mental Health Foundation**
- 39. Community Studies in Kenya (Kangemi) -**
 - (i) Community Mental Health Issues in a Kenyan slum
 - (ii) Self-stigmatisation by patients with mental illness
 - (iii) Mental Health Profiles of People seen by traditional and faith healers.
 - (iv) Socio-demographic, psychological and spiritual profiles of Traditional and Faith healers.
 - (v) Spirituality among patients

- (vi) Treatment approaches by faith and traditional healers
- 41. School Study** - Parental upbringing amongst secondary school students in Nairobi
- 42. Human Resources Studies** - The patterns of retention and migration of health workers in Kenya
- 43. Postgraduate University Students CHS, University Of Nairobi**
- (i) Perception of learning environment amongst postgraduate students, College of Health Sciences, University of Nairobi
- (ii) The Mental Health Profiles of postgraduate students, College of Health Sciences, University of Nairobi
